No. 1.2.46-82-83.

From

The Secretary to the Dewan
of Mysore.

Sir,

I have the honor to refer for orders a doubtful point involved in the case of the village of Kondajji upon which Order No. 1870-2/118 dated the 20th December 1882 was passed by the Dewan of Mysore.

2 In the Order above quoted it is laid down that unreasonable cut connected with the detailed survey of the village of Kondajji may hereafter have to be borne by the Inamdars. I have asked

asked the landowners (8) (47) whether they are willing to give their right to the benefit of the survey assessment and equal terms and thus have nothing to pay towards cost of survey or (2) whether they are willing to pay at the rate of 4 annas per acre which was the approximate cost per acre coming in all to about Rs. 65 and in return receive the map and "full" statement of survey numbers showing detail of area and occupancy. The landowners decline to accept either of the above alternatives. The ordinary course is to refuse the map as and as any of the survey records. I would

now

now ask whether in the event of the Dewan under reference any special mode of dealing with the case is contemplated.
